RoHS Statement

RENCO Encoders Inc. complies with the EU and China RoHS Directives.

RENCO requires our Suppliers to provide only RoHS conforming parts. RENCO maintains a database of Suppliers and their RoHS confirmation dates.

RENCO does not knowingly add or incorporate any of the following materials into our products.*

- **Lead (Pb) over 0.1% by weight.**
- **Mercury (Hg) over 0.1% by weight.**
- **Hexavalent Chromium (Cr+6) over 0.1% by weight.**
- **Cadmium (Cd) over 0.01% by weight.**
- **Polybrominated Biphenyls (PBB) over 0.1% by weight.**
- **Polybrominated Diphenyl ether (PBDE) over 0.1% by weight.**

***Some exceptions exist. Please contact RENCO Encoders Inc. for the current status of your encoder.**

If you have any questions or concerns regarding our RoHS compliance, contact John Sharkey in our Quality Department at 805-562-1195.
